Contact Number : +91-7058896564

Profile Summary:

- **DevOps Engineer** with 3.5 years of IT experience, including 2.5+ years focused on **AWS DevOps** and **Azure DevOps**. The rest of my experience is in **desktop engineering** with strong knowledge of Windows & Linux. Skilled in **CI/CD pipelines, automation, and cloud technologies**. Experienced in using **AWS** and **Azure** to manage cloud infrastructure, container orchestration, and ensuring secure and scalable environments.

Technical Skills:

Operating Systems	Linux, Windows, Ubuntu, CentOS
Cloud Platforms	AWS, Azure
Version Control Systems	Git, GitHub
Build Tools	Maven
CI/CD Tools	Jenkins, Azure Pipelines
Containerization	Docker
Orchestration Tools	Kubernetes, Azure Kubernetes Service (AKS), Amazon Elastic Kubernetes Service (EKS)
Configuration Management	Ansible
Infrastructure as Code	Terraform
Languages	Shell Scripting, YAML
Monitoring Tools	Prometheus, Grafana, AWS Cloudwatch

Professional Experience:

- **DevOps Engineer** at GSS Informatics Pvt. Ltd. (July 2022 – Nov 2024)

Roles and Responsibilities:

- Managed source code repositories using Git and GitHub, including branching, merging, and version control.
- Provided technical support for AWS services, including EC2 instance management, IAM roles, and policies for multiple users.
- Developed and maintained CI/CD pipelines using Jenkins, integrating Git and Maven for automated build and deployment processes.
- Created and implemented a new CI/CD pipeline from scratch in Azure DevOps.
- Supported the management of Docker containers and images, including deployment and troubleshooting basic container issues.
- Utilized Docker and Kubernetes for containerization and orchestration of microservices; developed and maintained Kubernetes clusters for scalable deployments.
- Created and managed AKS (Azure Kubernetes Service) & EKS (Elastic Kubernetes Service) clusters in Azure & AWS.
- Deployed the applications on web servers using Ansible playbooks.
- Assisted in running and maintaining automation scripts for routine tasks.
- Managed and optimized cloud infrastructure on AWS (EC2, S3, IAM, VPC, and RDS) and Azure (Azure AD, Key Vault, virtual machines).

- Implemented multi-region and multi-cloud Terraform projects; well-versed in using Terraform workspaces.
- Ensured security best practices with IAM and Security Groups on AWS; managed Azure AD and Key Vault for Azure.
- Collaborated with development teams to streamline CI/CD pipelines, reducing deployment times by 30%.
- Provided 24/7 support for AWS cloud environment, ensuring high availability and uptime.

➤ **Desktop Support Engineer L1** at Outworx Solutions (Wipro Off-Role). (June 2021 - July 2022)

Roles and Responsibilities:

- Installed, configured, and troubleshoot Windows OS (XP, 7, 8, 10) and hardware components.
- Managed network issues, printer peripherals, and device driver installations.
- Assembled/disassembled PCs and installed various software applications.
- Configured and troubleshooted MS Outlook (2007-2021) and Office 365 activation issues.
- Administered Active Directory, managed domains, and client/server configurations.
- Handled LAN/internet management and security tools (Citrix, RDP, Zscaler, Symantec, BitLocker).
- Managed permissions, access control, and shared folder security.
- Used CA Service Desk and ServiceNow for ticketing, SLA management, and issue resolution.
- Contributed to SLA attainment, ticket audits, and customer satisfaction.
- Created and updated knowledge base (KB) articles for team productivity.

Certification Type and Certificate Number:

- Date: 23 Nov 2023
- Aws Certified Developer Associate
- Technology Used: Amazon Web Service
- Certification Id: https://www.credly.com/badges/8d96ae50-48d6-445d-880e-1d83857abcd4/public_url

Education Qualification:

- B. COM Completed from Mahajan college of Technology, Yavatmal (Amravati University).
- Diploma in Computer Hardware & Networking.

Personal Strengths:

Adaptable, Hardworking, Commitment Oriented, Time Management, Team Player.

Personal Information:

- Full Name: Akash Suresh Jaiswal
- Date of Birth: 18/04/1996
- Languages Known: English, Hindi & Marathi.
- Permanent Address: Plot no. 20, Nalamwar-Lay-Out, Jamb Road, Yavatmal, 445001
